Re: Our File 582-518, PM 472

Dear Thelma:

Attached hereto is a copy of a first Office Action and cited references relating to the above-identified application of Les Inskeep. As you can see, the response is due by September 25, 1968. We would appreciate any comments which you or Les may have in connection with the applicability of the two cited patents, both of which are familiar to us, well in advance of that date.

Sincerely,

Howard K. Kothe
